

THE EUROPEAN SWIMMING FEDERATION
in association with
THE AMATEUR SWIMMING FEDERATION OF GREAT BRITAIN
presents

**THE FIRST
EUROPEAN MASTERS
CHAMPIONSHIPS
IN SWIMMING AND DIVING**
(under FINA Laws)

16th—20th September 1987—Blackpool

RESULTS

It is my pleasure to welcome the European Masters Swimmers and Divers for these 1st European Masters Championships, to be organised in the well-known competition venue, the Derby Pool in Blackpool. I am sure that many competitors taking part today will remember important swimming and diving competitions that have been held here in the past.

The growing interest of senior swimmers, also in Europe, to take part in these kind of competitions, convinced the European Swimming Federation to establish these Championships, to be organised each second year, immediately after the European Championships.

Some criticism has been put forward about some of the rules which were adopted by the L.E.N. Bureau in July 1986, but with the experience of these forthcoming Championships, the Federations and the Bureau have a base for proposals of rule-changes at the next L.E.N. Congress in 1988, if there is sufficient strength of feeling.

I wish all of you, competitors and organisers, a very successful Championship and the competitors an excellent stay in attractive Blackpool.

KLAAS VAN DE POL
President L.E.N.
(European Swimming Federation)

Welcome to the first European Masters Championships.

It does not seem too long ago that 'Masters' was just beginning in Britain and now we are delighted to be hosts to this Championship.

I am equally delighted, once again, to be able to thank our sponsor, Sun Life, for their support of a further Masters event. Their promotion has been a tremendous boost to swimming in this country.

Behind any successful venture is much time and effort by the organisers and I would like to extend thanks to members of the Northern Counties A.S.A. and, in particular, Mr. Tom Cooper, the Organising Secretary, for all the hard work.

I am sure that everyone here will experience the sporting friendship that is one of the bonds of Masters swimming, as well as the excitement of a close competition. I hope you all enjoy a stimulating week.

BILL BLACK
Chairman
Amateur Swimming Federation of Great Britain

As President of the Amateur Swimming Association, I have great pleasure in welcoming all swimmers, divers, spectators and officials to Blackpool for this prestigious event.

This is the second major swimming event of the year to be held in my own District of the A.S.A. and I know that, once again, I can rely on my good friends and colleagues in the Northern Counties to ensure a smooth-running and enjoyable event.

We are indebted to our sponsor, Sun Life, for the magnificent support of Masters swimming.

To all our visitors from abroad, an especially warm welcome. I trust that you will enjoy your stay in Blackpool and that the Championships will stimulate many new friendships.

Our thanks to all the officials who, so willingly, give up their time to promote our sport, to Blackpool Borough Council, the Pool Manager, Steve Kerrigan, and his staff, for their assistance.

I look forward to some excellent competition and a very pleasant few days.

HARRY BOOTH
President A.S.A.
